

Feisty Frugal & Fabulous

MEDIA KIT

Tenille is a 30-something married mom of three, living on the Canadian prairies. Raising a son (7) and two daughters (3 and an infant), many refer to this as a "million dollar family". Perhaps those who coined the term didn't realize that having more than one child would feel like it costs almost as much! Being a stay at home mom like Tenille adds to the financial pressure many families already face.

ABOUT

Feisty Frugal & Fabulous was started in 2007 as a way for Tenille to share her knowledge of online deals, coupons and how to find the best prices on products.

Over the years the site has evolved to cover relevant parenting topics, travel, and lifestyle features. The site has a strong focus on product reviews on items for the entire family.

Tenille is a Life Made Delicious Connector for General Mills Canada, a Disney Junior Canada Mom Blogger, and a selected writer for the Baby Center Blog Network. She has been featured in Entrepreneurial Magazine (online media), CBS The Talk (television) and John Gormley Live (radio).

Most recently, Tenille was chosen as 1 of 3 bloggers in Canada to participate in the McDonald's All-Access Moms program.

The ultimate goal of Feisty Frugal & Fabulous is to share Tenille's knowledge and opinions on how they can live frugally while still maintaining their fabulous mommy style!
